Global Vision

To Mobilize, Equip, and Send to the Nations

As a fellowship of believers, Bell Shoals Baptist Church has been charged by Christ to make disciples of all nations (Matt. 28:19). *GoTerm* challenges young believers (18-25 years old) to do just that through a 3-12 month experience on a domestic or international mission field.

Strategy

God has blessed Bell Shoals with many partners around the world for the sake of the gospel. *GoTerm* students will work alongside select missionaries serving on the field in gospel-centered ministry. The type of ministry will vary from location to location, but the advancement of the gospel will be central to each.

Current locations include Haiti, Brazil, United Kingdom, and Toronto. Prospective locations are Israel, Central Asia and Central America (Spanish language required).

We seek to give students an Immersive, Missional Experience

Immersive

Students who participate on a *GoTerm* are immersed in a cultural setting different than their own and thus experience many of the daily joys and challenges of a missionary. While on the field they will learn how to navigate within the local culture seeking to create meaningful relationships that will lead to sharing the gospel and discipleship.

Missional *(sharing the gospel as we show His love wherever He sends us)*

GoTerm infuses young people with a "missional" outlook, viewing the world through the eyes of Christ, as they seek creative ways to sacrificially serve others in a specific region in need of the gospel.

GoTerm provides young people with an avenue to see and experience God moving in powerful ways. By making themselves available, God will give them opportunities to reach the lost.

Life-changing Goal

GoTerm's goal is life change. Those who go and serve will be changed as they see God's global vision at work in the intentional advancement of His kingdom around the world. Those whom they encounter will forever be changed by the radical truth of the gospel.

As *GoTerm* affects these young people, it is our prayer that their passion for God's global and missional vision would infect others around them, compelling them to GO!
